WEATHER OF CONCERN

Weather of Concern

Northern California

- Breezy north winds this week with elevated fire weather concerns. Cooler today, then warming and dry for the remainder of the week.
- Fire Weather Watch remains in effect from this evening through late Tuesday night for portions of the Bay Area and Northern California.

Southern California

- Anticipate northerly windiness Wednesday morning over southeast California becoming weaker in the afternoon. Conditions may flirt with critical wind and humidity thresholds in some spots. Windiness continues at the ridgetops Wednesday night.

Key Points

10/29/18 - 11/04/18

Monday

- Elevated fire weather conditions across portions of southern CA due to sundowner winds.
- Light rain across northern coastal areas Monday. Dry conditions across the rest of the state. No significant impacts due to precipitation.

Monday Night – Wednesday

- Dry conditions across the state for the week.
- Critical fire weather conditions due to gusty winds and low relative humidity values for Interior Northern California, as well as the North and East Bay Hills.
- Elevated fire weather conditions across southern California due to sundowner and offshore winds. Elevated fire weather conditions are also possible across portions of Mendocino and Trinity Counties.

Thursday – Friday

- Elevated fire weather conditions continue across southern California due to sundowner and offshore winds.

Saturday – Sunday

- No significant impacts expected at this time.

WEATHER SYNOPSIS BY REGION

NORTHERN CALIFORNIA

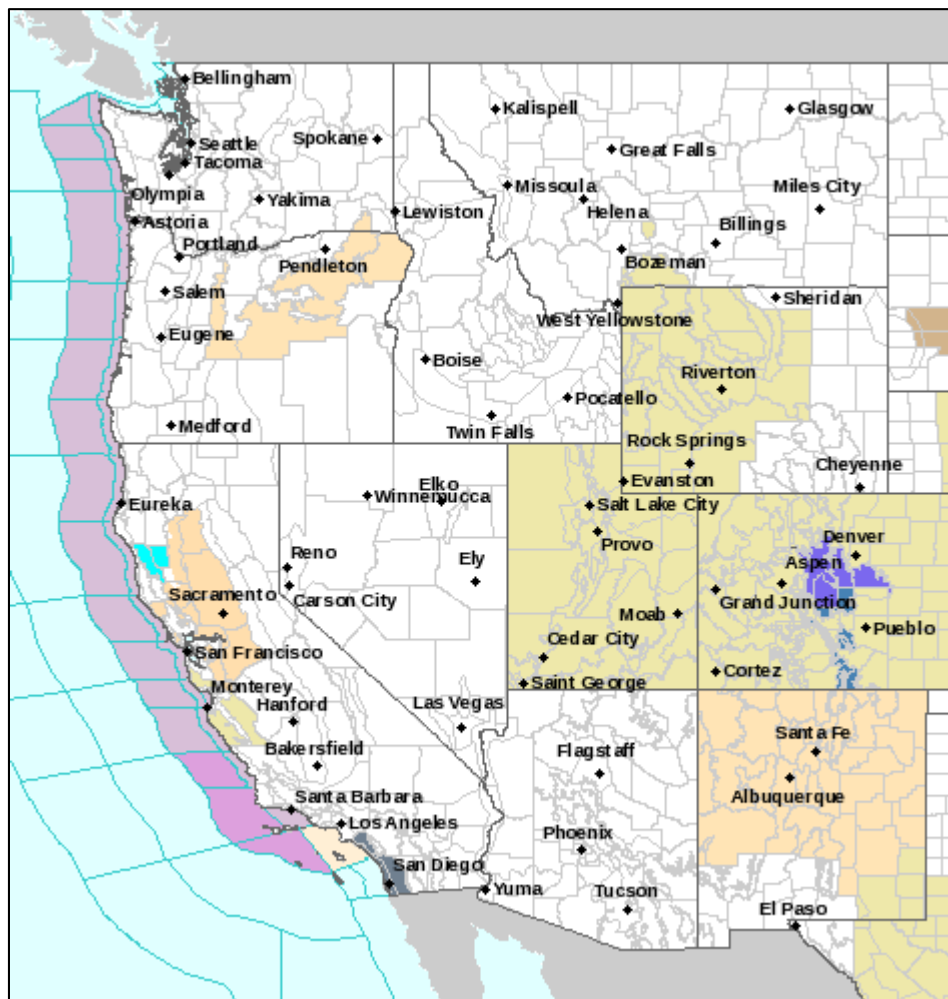

- High Risk Tonight through Thursday morning for Strong N-NE Wind and Low Relative Humidity (RH) Western Cascade-Sierra Slopes, Sacramento Valley, SE portions of Mid Coast-Mendocino and Diablo-Santa Cruz Mtns
- High pressure ridge will be dominant next 7 days with weak weather systems working their way around the ridge.
- NW-N winds (gusts 20-25 mph) today before turning N-NE (gusts 25-35 mph) tonight and lasting through Wednesday morning.
- Another pulse of N-NE (gusts 20-30 mph) wind Wednesday night favoring the Sacramento Vly, lesser winds thereafter.
- Lowering humidity with a return to teens/20s Sacramento Vly and higher ridgelines.
- Near average temperatures today, warming thereafter with above normal readings latter half of the week into the weekend.
- A few light showers far north/northwest possible next 7 days, otherwise dry conditions.

SOUTHERN CALIFORNIA

- A trough will move through the Pacific Northwest today and will be in the Northern Rockies on Tuesday. This will usher in a cooling trend across the region with daytime highs dropping to near normal levels for the start of the new work week.
- Highs in the mid-60s to mid-70s mountains, 70s to low-80s valleys, and in the mid-80s over the eastern deserts through Tuesday. Warmer during the latter half of the week.
- Gusty northwest to northeast winds of 15-25 mph across the mountains of Santa Barbara, Ventura, and Los Angeles Counties as well as over the Tehachapi Range this evening and overnight.
- Local north to northeast winds developing along and west of the coastal ranges south of Point Conception Tuesday, peaking in strength on Wednesday with speeds in the 15-25 mph range.
- Relative humidity values dropping into the teens over much of the region by mid-week.
- No precipitation is expected the next 2 weeks.

Cal OES LAW ENFORCEMENT MISSIONS

Ongoing Cal OES Law Missions

- **2018-LAW-52589, 10/28/18, 1800 hours:** Alpine County Sheriff's Office(ACSO) requesting an incident support team and (20) Type-2 ground searchers to assist in searching for a missing 55 year old solo hiker in the Carson Pass Summit area. The requested resources are to meet for a 0700 hour briefing, 10/29/2018, at the ICP near Lower Blue Lake. Eldorado County Sheriff's Office (EDSO) has accepted the mission and will fulfill ACSO's SAR Mutual Aid request. **Mission Ongoing.**

Closed Cal OES Law Missions

- **2018-LAW-52389, 10/18/18, 1512 hours:** The Mariposa County Sheriff's Office requested two human remains detection (HRD) dog teams to search for a missing person from a vehicle that was swept away due to a washout on Hwy 132 several months ago. The Cal OES Canine Coordinator is working to staff the request which is scheduled for 10/27/18 at 0800 hours. Meeting place is the Mariposa County Sheriff's Office. **Update: 10/28/18, 0905 hours:** MCSO advising mission completed and all MA resources released. **Mission Closed.**
- **2018-LAW-52239, 10/11/18, 1555 hours: (reopened)** Plumas County Sheriff's Department (PCSD) requested 3 Human Remains Detection (HRD) dog teams for a search in the Lake Davis area. The search is scheduled for Saturday, 10/13/18. The Cal OES Canine Coordinator has secured the requested resources. **Update 10/17/18:** Plumas County has requested to reopen this mission and asked for HRD dogs teams for an Operational Period on 10/20/18. **Update 10/18/18, 1553 hours:** The Cal OES Canine Coordinator has secured three HRD dog teams for the upcoming operational period for 10/20/18. **Update 10/20/18, 1904 hours:** The Plumas County Sheriff's Office completed their mission and released HRD assets. They may seek reopening the mission later if needed. **Update 10/25/18, 1200 hours:** PCSD is requesting that mission be reopened. PCSD is requesting three Human Remains Detection Search Dog Teams (HRD), for a search that is to be conducted on Saturday, 10/27/18. The California Governor's Office of Emergency Services, Law Enforcement Branch is coordinating the search dog teams response. **Update: 10/28/18, 0900 hours:** PCSD advising all SAR Mutual Aid resources have been released and requesting to close mission. **Mission Closed.**
- **2018-LAW-52233, 10/23/18, 1424 hours:** Butte County Sheriff's Office requested to reopen their existing mission number to locate a 40 year old male last seen on 10/10/18 at 1500 hours, while panning for gold at the bottom of a rugged canyon. Butte County requested available resources to be at their main office, Friday, 10/26/18 at 0700 hours. They are seeking two Type 1 C1 HRD dogs, two (2) Type 1 or 2 C1 teams one will have to be a water dog, four Type 1 or 2 Flanks and eight Type 1 or MRA ground searchers. The Cal OES Canine Coordinator has been tasked with the HRD requests. Marin County advised they will have one C1 /Area K-9 Team with a flanker and nine ground searches responding for Friday. CARDA and Monterey Bay are also providing HRD response teams for the search. **Update: 10/28/18, 1306 hours:** BCSO advising the MP was not located and all Mutual Aid resources have been released. BCSO requesting to close the mission as they are continuing their search with in-county resources only. **Mission Closed.**
